## SUMMARY

---

Forward-thinking computer science graduate pursuing Masters in Computer Applications, with a strong foundation in C sharp programming and SQL database management. Proficient Skills in Photoshop for graphic design and photo editing.

## EDUCATION

---

<b>Smt. Chandaben Mohanbhai Patel Institute of Computer Applications</b> (Affl. CHARUSAT ; Masters in Computer Applications) CGPA: 6.58	Gujarat, India 2023 – 2025
--	-------------------------------

<b>Anand Mercantile College of Science and technology</b> (Affl. SP University ; Bachelors in Computer applications) CGPA: 6.73	Gujarat, India 2020 – 2023
--	-------------------------------

## TECHNICAL SKILLS

---

**Programming Languages:** C sharp, C++, Java, SQL, HTML

**Web and Application Technologies:** ASP.NET, DotNet Core, MongoDB, SQL Server

**Tools and Software:** Git, GitHub, Visual Studio, Visual Studio Code, Photoshop

**Soft Skills:** Effective Communication, Adaptability, Strong Interpersonal Skills, Quick Learning

## PROJECTS

---

<b>College Finance Management system:</b>	C sharp, ASP.NET windows form application, SQL Server
<ul style="list-style-type: none"><li>Developed a College Finance Management System to streamline financial operations in educational institutions.</li><li>Implemented features for efficient budgeting, identifying college expenses, and transparent financial reporting.</li><li>Enhanced overall college administration through improved financial management and oversight.</li></ul>	

<b>Minesweeper Game:</b>	C sharp, ASP.NET windows form application
<ul style="list-style-type: none"><li>Developed a classic Minesweeper game using Dot-Net Windows Forms and C sharp with custom grid sizes.</li><li>Designed an intuitive UI, implemented core game mechanics, and integrated a timer and score tracking system.</li><li>Ensured robust error handling and demonstrated proficiency in object-oriented and event-driven programming.</li></ul>	

<b>Expense Tracker App:</b>	C sharp, ASP.NET windows form application, SQL Server
<ul style="list-style-type: none"><li>Developed an Expense Tracker application using Dot-Net Windows Forms and C Sharp for personal finance management.</li><li>Designed a user-friendly interface to record, categorize expenses, and generate summary reports.</li><li>Demonstrated skills in object-oriented programming and data management.</li></ul>	

## CERTIFICATIONS

---

<b>Google Data Analytics</b>	April 10, 2024
------------------------------	----------------

<b>Google UX Design</b>	March 31, 2024
